Version 3 Downloads

Latest Version: 3.3.19 Released On: 4/2/2010

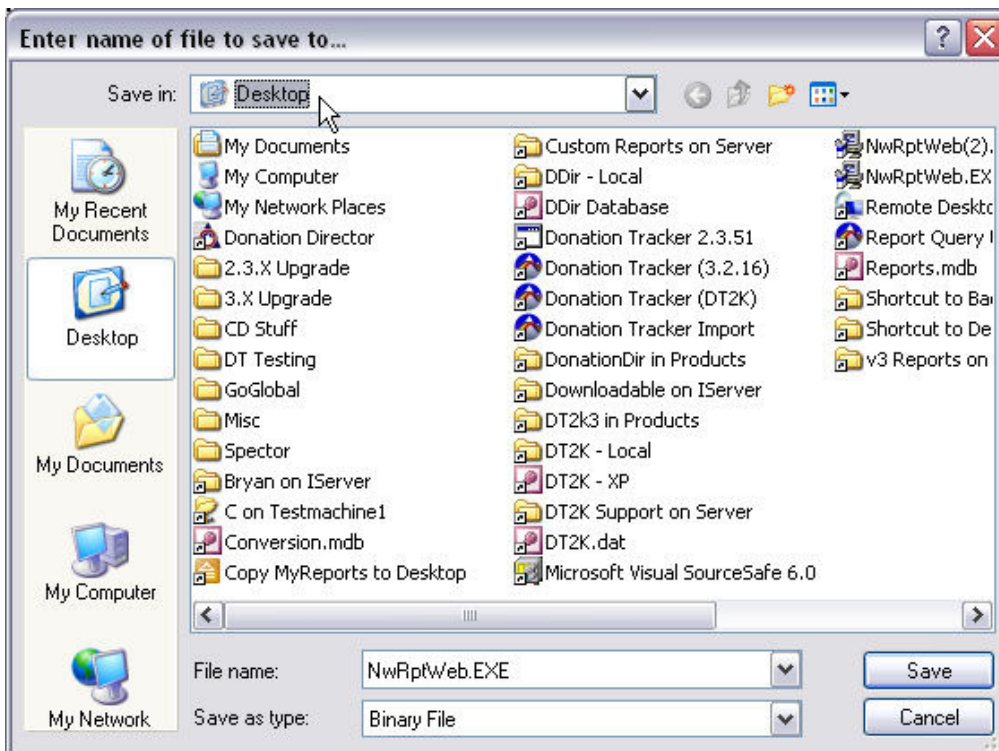

Note: All downloads on this page are for those running version 2.3.0 or greater.

Version	Date	Description	File Size	
All	4/2/10	Report Catalog Update	5.70 MB	DETAILED INSTRUCTIONS
3.3.19	4/2/10	The Whole Enchilada (Program & Report Updates)	52.0 MB	DETAILED INSTRUCTIONS

2) Choose **Save File**.

3) It may automatically save the file to your Windows **Desktop**. If it doesn't, please choose to do so.

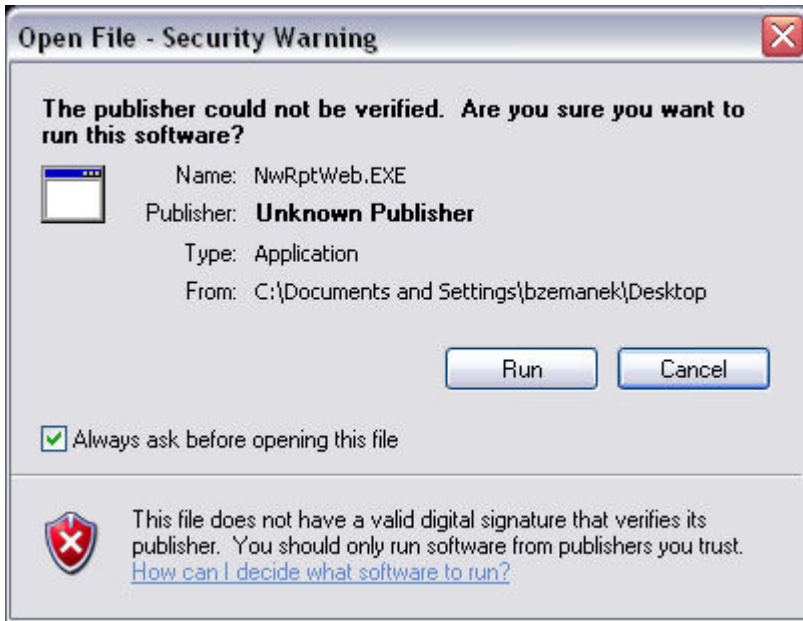

4) After the update has finished downloading... please go to **Installing the Update** on page 4.

Installing the Update

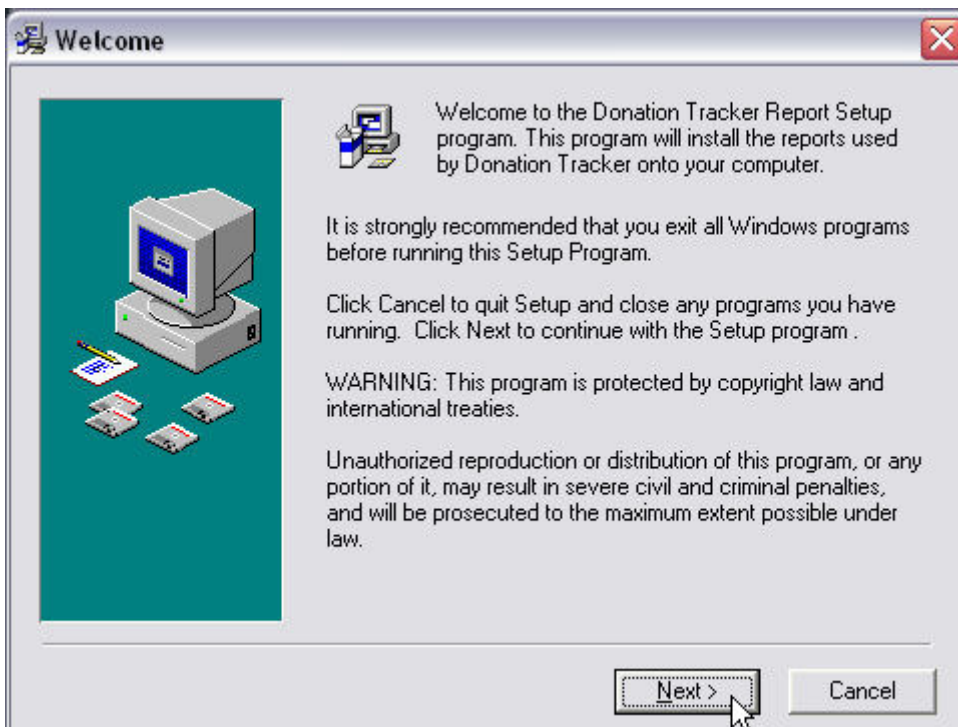

1) Go to your Windows **Desktop** and **double-click** on the file **NwRptWeb.exe**.

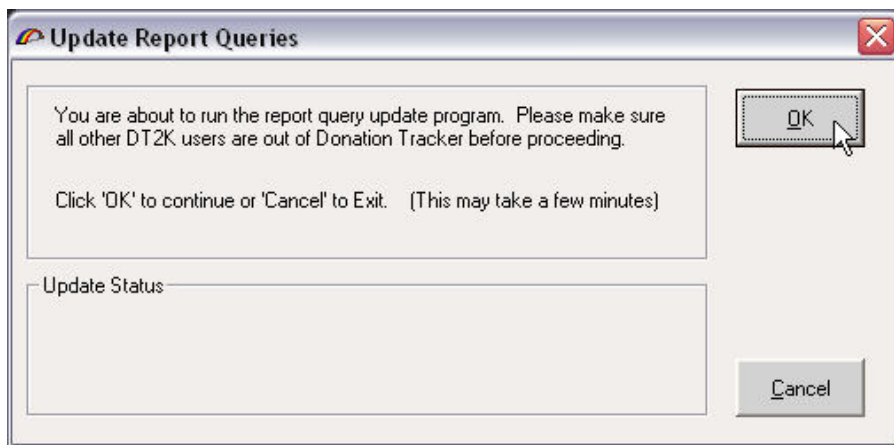

2) You may get a security warning similar to the picture below. Please click **Run**.

3) Click the **Next** button at the welcome screen. This will put a report upgrade file into the shared Donation Tracker location and update the Donation Tracker reports.

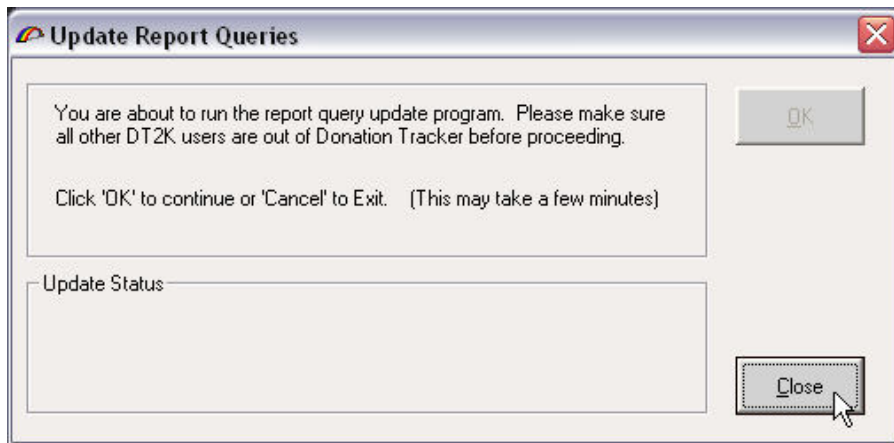

4) Click **OK** to start the Report Query Update.

5) Click **OK** when the queries have been updated.

6) Click **Close** to close the Update Report Queries screen.

7) You're done!

Note: The next time you go into the Reports section of Donation Tracker the list will rebuild automatically.

7) Click the **Finish** button.
